5th European Conference HYDROGEN & P2X 2024 19-20 June Copenhagen, Denmark

Crowne Plaza Copenhagen Towers

Website

We are delighted and excited to announce Hydrogen & P2X 2024 conference with newly researched agenda, trending industry news, excellent speakers & technical insights. The conference will take place on 19-20 June in Copenhagen.

As the world accelerates its efforts towards sustainability and combating climate change, hydrogen remains the key to unlocking a greener and cleaner future. With the H2 infrastructure underway, an increasing amount of H2 projects in hard-to-abate sectors being developed all add significantly to hit decarbonization goals. At Hydrogen & P2X 2024, we aim to delve even deeper into the latest advancements, industry critical discussions, and ground-breaking innovations that will shape the hydrogen landscape.
